The New Albany Bulldog Baseball Clinic will include all aspects of the game including throwing, fielding, hitting, base-running, pitching and much more! Players will have the opportunity to learn from the New Albany High School coaching staff, as well as current and former Bulldog players (many who have collegiate playing experience). Each participant will be taught the same fundamentals, principles, and terminology used in the New Albany High School Baseball Program. These skills and information help allow players to play with confidence and enjoyment. Additionally, all participants will receive a Bulldog Baseball Clinic T-Shirt.

What to Bring:

Participants should dress comfortably. Shorts and T-shirt are appropriate; however baseball pants are preferred. A baseball glove/mitt is required. All additional baseball equipment (bats, helmets, batting gloves, catchers gear, etc.) may also be necessary if you have them. Tennis shoes or cleats are required.
